

ENGINEERS CLUB of Lincoln

Notice of 2019 Membership Dues

The Engineers Club of Lincoln (ECL) is continuing the yearly membership renewal process to simplify tracking of members each year. Communication with our members will be via email only. We ask that you please take a moment and renew your membership to let us know that you are still interested in hearing from us and we will be happy to keep you on our distribution. Membership renewal is required for Life Members. Members who have been in good standing for 25 years, not necessarily consecutive, automatically become life members.

Please send the bottom portion of this page with your membership dues and Voluntary Scholarship Fund contribution. Membership renewals are due by April 1st and may be sent directly to our P.O. Box or given to one of our club officers at an upcoming meeting.

To encourage membership, monthly meeting fees will be \$20 for non-members and \$15 for members. January - March lunch will be \$15 to give attendees a grace period to submit their membership forms. Attending 3 meetings a year will make a membership pay for itself.

Thank you very much for your support and we hope to see you often in the years ahead!
